## Adobe Photoshop CS4 (Latest)

The Pen tool allows you to draw or make freeform selections, like in the photo above. You can also use the Pen tool to combine multiple selections into a new selection. This is useful when you want to merge multiple selections into one. We'll cover selection, cloning, and drawing in the following chapters. Paint, a quick way to color an image, lets you color a photo, text, or shape. You'll find some new features in Photoshop 12, such as Solid Color Fill and Transfer Options.
