Add new features, enhancements, and bug fixes. .. People will think this was another cheesy version of Tom Clancy's The Sum of All Fears.Q: Why is the pre-Cold War Russian weapon design known as два купчика? In the original version of the film "Два купчика", or "2 CW", as it is called by the Russian official translation, there are two officers that freeze the scene in a room during the mid-film sequence. One officer is knocking a lit cigarette out of his mouth and one is turning away from the viewer. The scriptwriter, Vadim Abdrashitov, is credited as the screenwriter. Why is this scene referred to as "2 CW"? Is it a reference to the two Cold Warriors in the scene, or some other reason? A: See here: Головачка. Высокий синтетический полукупчик, высокая конечная диаметральной защита, базовая элементарная конструкция легкого п
