Solution: Problem: Objective: Method: Results: Q: How do I get the service icon to show up in the notifications tray when a wifi hotspot is available? I have a Samsung S4 phone with Android 5.0.2. I also have an HTC Incredible S with Android

5.0.1. I'm using it for Android development and have figured out how to get the app to notify when a wifi hotspot is available. However, I also want the service icon to show up in the notification tray when this happens. When I'm connected to a wifi hotspot, the icon shows in the notification tray, but when I'm offline, the icon doesn't show up. Is there a way to accomplish this? A: Is there a way to accomplish this? No, not really. However, I also want the service icon to show up in the

notification tray when this happens. When I'm connected to a wifi hotspot, the icon shows in the notification tray, but when I'm offline, the icon doesn't show up. When you are connected to a Wi-Fi hotspot, that you connect to in the Android browser, your phone receives a notification and an icon appears in the notification area. Is there a way to accomplish this? No.

Four Economists Defend Trump, Slam 'Crazy' Media Outlets "It's like the Twilight Zone," UC Berkeley labor professor Richard Freeman says

of how the media reports on the economy. The shocking sight of four real estate lawyers munching on free food at the National Restaurant Association's annual conference this week caused some chuckles and eye rolls among the more than 400 people in the room. It was way more than was needed to discredit and challenge the legitimacy of the Free Trade Area of the Americas agreement being hammered out in secret by 12 countries, including the U.S. The panel, held Friday, was headed by

Jason Furman, a former chair of President Barack Obama's Council of Economic Advisers, along with three economists. Their talk was titled, "Why Are We So Crazy? The
